

# Low Library Construction Activities

February 18, 2022

## **What is Happening**

### *Monumental Window Restoration*

- Removal of window parts is ongoing. The contractor will bring window parts to the ground level via exterior scaffolding/hoist.

### *Air Handler Unit Replacement*

- Controls and programming are in progress
- The new air handler unit will be placed in manual operation on an as-needed basis until the installation of automatic controls and programming is completed
- Work is anticipated to continue through early March to finalize controls and complete project closeout

### *Equipment Removal on the Roof*

- Relocation of mechanical equipment is underway
- Removal of additional dunnage from the roof is ongoing

## **What to Expect**

- Expect some noise and other impacts typically associated with construction projects
- Overhead heating will not be available for rooms 106, 107, and 108; steam radiators will be functional to provide heat. The new heating system will be placed in manual operation on an as-needed basis until automatic controls and programming are completed. Please contact your supervisor regarding any space temperature concerns.
- Access to the West Gallery from the 4th floor will be blocked for the duration of the project

## **Schedule**

### *Monumental Window Restoration*

The monumental window restoration will be performed in three phases to remove the window, restore it offsite, and reinstall the restored window frame and parts. Work hours for the removal phase will be 8:00 a.m. to 4:00 p.m. The final project completion is anticipated by the end of fall 2022, weather permitting.

### *Air Handler Unit Replacement*

Regular work hours are 7:00 a.m. to 3:00 p.m. Monday through Friday, with weekend work as needed. This project is anticipated to be completed by March 2022.

### *Equipment Removal on the Roof*

Regular work hours will be 8:00 a.m. to 6:00 p.m., Monday through Friday, with work taking place on Saturdays as needed. The roof equipment removal is anticipated to be complete during the first quarter of 2022.
