

611 West 112th Street Interior and Exterior Renovation

Columbia University is performing an interior gut renovation and exterior restoration of 611 W. 112th Street for future university housing. The project scope includes a building-wide replacement of floor and roof structure; historical restoration of the exterior masonry and recreation of the cornices; replacement of windows; new interior finishes; new mechanical, electrical, and plumbing; fire alarm, fire protection and security systems, and the creation of a new, accessible entrance.

Construction Activities for the Weeks of November 20, 2023 and November 27, 2023

Although contractors carefully stage construction activities to minimize disruption, the nature of construction work is such that some disruptions will occur. The community should expect the following in the coming weeks:

What is Happening

- Miscellaneous cleanup inside the building, including debris haul off.
- Cleaning of exterior façades.
- Interior structural steel installation.
- Installation of rear yard material hoist and exterior scaffolding at the courtyards (north). Operation of street hoist.
- Removal of windows and protection of openings.
- Prepping window opening in advance of waterproofing
- Grouting of structural piles in cellar

What to Expect

- Work hours are 7:00 a.m. to 6:00 p.m., Monday through Friday, and 9:00 a.m. to 5:00 p.m. on Saturday (in accordance with all necessary permits).
- Personnel will be moving in and out of the building with miscellaneous debris.
- Material drop-off and pickup will be performed between working hours of 7:00 a.m. to 6:00 p.m., with the exception of 7:45 a.m. to 8:45 a.m. and 2:45 p.m. to 3:45 p.m. to coordinate with school drop off and pickup.
- A temporary ramp to the first floor steps will be set out only during debris loadout. Flag people will be providing directional guidance as required.

-Please note that all activities are subject to change based on weather and other field conditions-
