

611 West 112th Street Interior and Exterior Renovation

Columbia University is performing an interior gut renovation and exterior restoration of 611 W. 112th Street for future university housing. The project scope includes a building-wide replacement of floor and roof structure; historical restoration of the exterior masonry and recreation of the cornices; replacement of windows; new interior finishes; new mechanical, electrical, and plumbing; fire alarm, fire protection and security systems, and the creation of a new, accessible entrance.

Construction Activities for the Weeks of February 26, 2024 and March 4, 2024

Although contractors carefully stage construction activities to minimize disruption, the nature of construction work is such that some disruptions will occur. The community should expect the following in the coming weeks:

What is Happening

- Miscellaneous cleanup inside the building, including debris haul off. Swapping out of shipping container to hold additional debris.
- Operation of street hoist and north courtyard hoist.
- Cleaning and repairs of exterior façades
- Installation of interior structural steel and reconstruction of interior masonry walls.
- Excavation and soil haul off for foundation work. Pouring of concrete footing is anticipated to take place on Thursday, February 29.
- Demolition of elevator shaft exterior wall

What to Expect

- Work hours are 7:00 a.m. to 6:00 p.m., Monday through Friday, and 9:00 a.m. to 5:00 p.m. on Saturday (in accordance with all necessary permits).
- Routine site safety evacuation drill is expected to occur on Thursday, February 29 at noon which will include the use of foghorns.
- **Partial street closure to occur on Saturday, March 2 or Saturday, March 9 (pending necessary approvals) for concrete operations at the roof level.** To allow for positioning of equipment, parking will not be available on the south side of the street in front of 611 W. 112th Street. Vehicles will still be able to drive east along 112th Street.
- Personnel will be moving in and out of the building with miscellaneous debris.
- Material drop-off and pickup will be performed between working hours of 7:00 a.m. to 6:00 p.m., with the exception of 7:45 a.m. to 8:45 a.m. and 2:45 p.m. to 3:45 p.m. to coordinate with school drop off and pickup.

-Please note that all activities are subject to change based on weather and other field conditions-
