

# 611 West 112th Street Interior and Exterior Renovation

Columbia University is performing an interior gut renovation and exterior restoration of 611 W. 112th Street for future university housing. The project scope includes a building-wide replacement of floor and roof structure; historical restoration of the exterior masonry and recreation of the cornices; replacement of windows; new interior finishes; new mechanical, electrical, and plumbing; fire alarm, fire protection and security systems, and the creation of a new, accessible entrance.

## Construction Activities for the Weeks of April 8, 2024 and April 15, 2024

Although contractors carefully stage construction activities to minimize disruption, the nature of construction work is such that some disruptions will occur. The community should expect the following in the coming weeks:

### What is Happening

- Operation of street hoist and north courtyard hoist.
- Cleaning, raking, repointing, and repairs of exterior and interior façades.
- Installation of interior structural steel, and reconstruction of interior masonry walls.
- Installation of structural steel and metal decking at the roof level.
- Foundation work at the future elevator shaft.
- Daily deliveries of masonry, carpentry, and/or steel materials.
- Miscellaneous cleanup inside the building, including debris haul off. Swapping out of shipping container to hold additional debris.

### What to Expect

- Work hours are 7:00 a.m. to 6:00 p.m., Monday through Friday, and 9:00 a.m. to 5:00 p.m. on Saturday (in accordance with all necessary permits). After-hours permits approved for interior work to be performed between 6:00 p.m. to 12:00 a.m., Monday through Friday.
- **Full street closure rescheduled to occur on Saturday, April 20 and/or Saturday, April 27 (pending necessary approvals).** This street closure is required to allow for the positioning of construction equipment to perform steel and concrete operations at the roof level of 611 W. 112th Street. Vehicular traffic and street parking will not be available on W. 112th Street.
- Personnel will be moving in and out of the building with miscellaneous debris.
- Material drop-off and pickup will be performed between working hours of 7:00 a.m. to 6:00 p.m., with the exception of 7:30 a.m. to 8:45 a.m. and 2:45 p.m. to 3:45 p.m. to coordinate with school drop off and pickup.

*-Please note that all activities are subject to change based on weather and other field conditions-*

### For More Information

You can find the latest construction information about this project on our website at [cufo.columbia.edu/611w112thstreet](https://cufo.columbia.edu/611w112thstreet). You may also opt-in to receive construction updates directly by going to [connect.gca.columbia.edu/west-112th](https://connect.gca.columbia.edu/west-112th). Should you have any questions or concerns about this project, please call the Columbia University Facilities Services Center at (212) 854-2222 24 hours a day, seven days a week, or e-mail [projx@columbia.edu](mailto:projx@columbia.edu) (emails responded to during normal business hours).
