

611 West 112th Street Interior and Exterior Renovation

Columbia University is performing an interior gut renovation and exterior restoration of 611 W. 112th Street for future university housing. The project scope includes a building-wide replacement of floor and roof structure; historical restoration of the exterior masonry and recreation of the cornices; replacement of windows; new interior finishes; new mechanical, electrical, and plumbing; fire alarm, fire protection and security systems, and the creation of a new, accessible entrance.

Construction Activities for the Weeks of August 12, 2024 and August 19, 2024

Although contractors carefully stage construction activities to minimize disruption, the nature of construction work is such that some disruptions will occur. The community should expect the following in the coming weeks:

What is Happening

- Interior spray insulation and preventative spraying of existing wood joists that will remain will be performed between 4:00 p.m. and 12:00 a.m. A small compressor used to perform this work will be located in the western courtyard and will be enclosed in noise mitigation blankets to help reduce noise.
- Demolition of existing floors and installation of new floors and structural supports.
- Interior excavation to prepare for underground utility installation.
- Installation of steel work on roof level.
- Cleaning, raking, repointing, and repairs of exterior and interior façades.
- Mechanical, electrical, and plumbing hangar supports and overhead, and top track framing and stud walls in the interior of the building.
- Daily deliveries of masonry, carpentry, and/or steel materials.
- Daily operation of street hoist and north courtyard hoist.
- Daily cleanup inside the building, including debris haul off.
- Removal of the highest elevation of scaffold in localized areas.

What to Expect

- Regular work hours are 7:00 a.m. to 6:00 p.m., Monday through Friday, and 9:00 a.m. to 5:00 p.m. on Saturday (in accordance with all necessary permits). After-hours permit approved for interior work to be performed between 6:00 p.m. to 12:00 a.m., Monday through Friday.
- **Full street closure to occur on Saturday, August 17 for a mechanical pick at 611 W. 112th Street.** Vehicular traffic and street parking will not be available on W. 112th Street between Broadway and Riverside Drive.
- Personnel will be moving in and out of the building with miscellaneous debris.
- Material drop-off and pickup will be performed between working hours of 7:00 a.m. to 6:00 p.m., with the exception of 7:30 a.m. to 8:45 a.m. and 2:45 p.m. to 3:45 p.m. to coordinate with school drop off and pickup.

-Please note that all activities are subject to change based on weather and other field conditions-

For More Information
