

611 West 112th Street Interior and Exterior Renovation

Columbia University is performing an interior gut renovation and exterior restoration of 611 W. 112th Street for future university housing. The project scope includes a building-wide replacement of floor and roof structure; historical restoration of the exterior masonry and recreation of the cornices; replacement of windows; new interior finishes; new mechanical, electrical, and plumbing; fire alarm, fire protection and security systems, and the creation of a new, accessible entrance.

Upcoming Street Closure of W. 112th Street – Saturday, August 17

What is Happening

On Saturday, August 17, W. 112th Street (between Broadway and Riverside Drive) is anticipated to be fully closed to vehicular traffic and street parking, weather permitting. This street closure is required to allow for mechanical equipment to be lifted and installed onto the roof of 611 W. 112th Street.

NOTE: Activities are subject to change based on weather and other field conditions.

What to Expect

- Regular work hours are 7:00 a.m. to 6:00 p.m., Monday through Friday, and 9:00 a.m. to 5:00 p.m. on Saturday (in accordance with all necessary permits). After-hours permit approved for interior work to be performed between 6:00 p.m. to 12:00 a.m., Monday through Friday.
- Vehicular traffic and street parking will not be available on W. 112th Street on Saturday, August 17, weather permitting.
- The sidewalks will remain open throughout the day on both the north and south side of the street. Flaggers will be present to help guide and intermittently pause pedestrians on the north side of 112th Street as equipment is lifted onto the roof.
- Expect noise and other impacts associated with construction.
