

611 West 112th Street Interior and Exterior Renovation

Columbia University is performing an interior gut renovation and exterior restoration of 611 W. 112th Street for future university housing. The project scope includes a building-wide replacement of floor and roof structure; historical restoration of the exterior masonry and recreation of the cornices; replacement of windows; new interior finishes; new mechanical, electrical, and plumbing; fire alarm, fire protection and security systems, and the creation of a new, accessible entrance.

Construction Activities for the Weeks of September 23, 2024 and September 30, 2024

Although contractors carefully stage construction activities to minimize disruption, the nature of construction work is such that some disruptions will occur. The community should expect the following in the coming weeks:

What is Happening

- Interior spray insulation will be performed between 4:00 p.m. and 12:00 a.m. A small compressor used to perform this work will be located in the western courtyard and will be enclosed in noise mitigation blankets to help reduce noise.
- Continuation of excavation to prepare for underground utility installation. Equipment will be regularly moving materials along the sidewalk during daytime hours.
- Installation of electrical and miscellaneous metal work on the roof level.
- Cleaning, raking, repointing, and repairs of exterior and interior façades.
- Mechanical, electrical, and plumbing hangar supports and overhead, top track framing, and stud walls in the building's interior.
- Daily deliveries of masonry, carpentry, and/or steel materials.
- Daily operation of the street hoist.
- Daily cleanup inside the building, including debris haul off.
- Concrete operations for the cellar slab is tentatively scheduled to take place at end of September.

What to Expect

- Regular work hours are 7:00 a.m. to 6:00 p.m., Monday through Friday, and 9:00 a.m. to 5:00 p.m. on Saturday (in accordance with all necessary permits). After-hours permit approved for interior work to be performed between 6:00 p.m. to 12:00 a.m., Monday through Friday.
- **Full street closure of W. 112th Street has been rescheduled to occur on Saturday, September 28 for a crane pick at 611 W. 112th Street.** Vehicular traffic and street parking will not be available on W. 112th Street between Broadway and Riverside Drive.
- Personnel will be moving in and out of the building with miscellaneous debris.
- Material drop-off and pickup will be performed between working hours of 7:00 a.m. to 6:00 p.m., with the exception of 7:30 a.m. to 8:45 a.m. and 2:45 p.m. to 3:45 p.m. to coordinate with school drop off and pickup.

-Please note that all activities are subject to change based on weather and other field conditions-
