

# 611 West 112th Street Interior and Exterior Renovation

Columbia University is performing an interior gut renovation and exterior restoration of 611 W. 112th Street for future university housing. The project scope includes a building-wide replacement of floor and roof structure; historical restoration of the exterior masonry and recreation of the cornices; replacement of windows; new interior finishes; new mechanical, electrical, and plumbing; fire alarm, fire protection and security systems, and the creation of a new, accessible entrance.

## Upcoming Site Evacuation Drill on Monday, October 28

### What is Happening

A routine site safety evacuation drill is expected to occur on Monday, October 28 at 11:45 a.m. which will include the use of airhorns. As part of the drill, workers will evacuate the site and gather at Riverside Park at 112th Street.

*NOTE: Activities are subject to change based on weather and other field conditions.*

### What to Expect

- During the drill, workers will evacuate the site and walk to Riverside Park at 112th Street.
- Expect noise from airhorns and other impacts typically associated with construction activities.
- Regular work hours are 7:00 a.m. to 6:00 p.m., Monday through Friday, and 9:00 a.m. to 5:00 p.m. on Saturday (in accordance with all necessary permits). After-hours permit approved for interior work to be performed between 6:00 p.m. to 12:00 a.m., Monday through Friday.
- Material drop-off and pickup will be performed between the working hours of 7:00 a.m. to 6:00 p.m., with the exception of 7:30 a.m. to 8:45 a.m. and 2:45 p.m. to 3:45 p.m. to coordinate with school drop off and pickup.
