

611 West 112th Street Interior and Exterior Renovation

Columbia University is performing an interior gut renovation and exterior restoration of 611 W. 112th Street for future university housing. The project scope includes a building-wide replacement of floor and roof structure; historical restoration of the exterior masonry and recreation of the cornices; replacement of windows; new interior finishes; new mechanical, electrical, and plumbing; fire alarm, fire protection and security systems, and the creation of a new, accessible entrance.

Utility Street Work on W. 112th Street Beginning the Week of November 25

What is Happening

Beginning the week of November 25, street excavation work in front of 611 W. 112th Street will commence to install a new water connection at 611 W. 112th Street. Vehicles will still be able to drive along West 112th Street while work is performed. This work is anticipated to be complete in early December.

NOTE: Activities are subject to change based on weather and other field conditions.

What to Expect

- Regular work hours are 7:00 a.m. to 6:00 p.m., Monday through Friday, and 9:00 a.m. to 5:00 p.m. on Saturday (in accordance with all necessary permits). After-hours permit approved for interior work to be performed between 6:00 p.m. to 12:00 a.m., Monday through Friday.
- Some parking impacts may be expected on the south side of 112th Street during the week of November 25 while utility work takes place on West 112th Street.
- Expect noise and other impacts associated with construction.
