

Tennis Center Replacement Project

Construction Activities

Columbia University is replacing its existing tennis facility at the Baker Athletics Complex (clubhouse and air-supported bubble) with a state-of-the-art tennis center that will enhance the experience for student-athletes and club members. The new tennis facility will have six indoor courts and six exterior rooftop courts, and will house locker rooms, offices, and associated fitness and strength rooms.

Construction Activities for the Weeks of August 15, 2022 and August 22, 2022

Although contractors carefully stage construction activities to minimize disruption, the nature of construction work is such that some disruptions will occur. The community should expect the following in the coming weeks:

What is Happening

- Installation of storm drainage
- Installation of façade, roof panels, and masonry
- Interior framing
- Interior stair installation
- Roofing work
- Installation of ductwork, piping, and electrical conduit
- Deliveries include various reinforcing materials, conduit, mechanical pipes, ductwork, masonry, wall studs, electrical and mechanical equipment, light fixtures

What to Expect

- Regular working hours are 7:00 a.m. to 4:00 p.m., Monday to Friday. After-hours work may take place until 6:00 p.m. Monday through Friday, and on weekends with all required permits.
- All work will be contained within the tennis court site.
- There may be intermittent noise from truck deliveries and equipment deliveries and removals.

-Please note that all activities are subject to change based on weather and other field conditions-
