

# Tennis Center Replacement Project

**C**olumbia University is replacing its existing tennis facility at the Baker Athletics Complex (clubhouse and air- supported bubble) with a state-of-the-art tennis center that will enhance the experience for student-athletes and club members. The new tennis facility will have six indoor courts and six exterior rooftop courts, and will house locker rooms, offices, and associated fitness and strength rooms.

## Construction Activities for the Weeks of November 7, 2022 and November 14, 2022

Although contractors carefully stage construction activities to minimize disruption, the nature of construction work is such that some disruptions will occur. The community should expect the following in the coming weeks:

### What is Happening

- Installation of façade, masonry and roofing
- Installation of interior wall, ceiling and masonry walls
- Interior finishes, including tiling and painting
- Elevator installation
- Installation of ductwork; plumbing and sprinkler piping; electrical conduit/wiring and panels; and concrete
- Deliveries include conduit, mechanical pipes, ductwork, masonry, wall studs, sheetrock, electrical and mechanical equipment, and light fixtures
- Site utilities (electrical, water, gas) excavation and installation in driveway

### What to Expect

- Regular working hours are 7:00 a.m. to 4:00 p.m., Monday to Friday. After-hours work may take place until 6:00 p.m. Monday through Friday, and on weekends with all required permits.
- All work will be contained within the tennis court site.
- There may be intermittent noise from truck deliveries and equipment deliveries and removals.

*-Please note that all activities are subject to change based on weather and other field conditions-*
