

Low Library Construction Activities

January 21, 2022

What is Happening

Monumental Window Restoration

- Removal of window parts is ongoing. The contractor will bring window parts to the ground level via exterior scaffolding/hoist. Window parts will be temporarily stored on the north lawn.

Air Handler Unit Replacement

- The new air handler unit has been installed and was successfully tested. New temperature sensors, thermostats and controls are being installed. The unit will be placed in full operation during the first week in February.
- Work is anticipated to continue through early March to finalize controls and complete project closeout

Equipment Removal and Repair/Replacement of Portions of the Roof

- Installation of the new roof system is ongoing
- Relocation of mechanical equipment is underway
- Removal of additional dunnage from the roof is ongoing

What to Expect

- Expect some noise from demolition and other impacts typically associated with construction projects.
- Overhead heating will not be available for rooms 106, 107, and 108; steam radiators will be functional to provide heat. The new heating system will be fully operational during early February.
- Access to the West Gallery from the 4th floor will be blocked for the duration of the project

Schedule

Monumental Window Restoration

The monumental window restoration will be performed in three phases to remove the window, restore it offsite, and reinstall the restored window frame and parts. Work hours for the removal phase will be 8:00 a.m. to 4:00 p.m., with some work occurring during overnights between 10:00 p.m. and 6:00 a.m. to reduce disruption to work areas and event spaces. The final project completion is anticipated by the end of fall 2022, weather permitting.

Air Handler Unit Replacement

Regular work hours are 7:00 a.m. to 3:00 p.m. Monday through Friday, with weekend work as needed. After-hours work will take place between December 23 to January 14 from 6:00 a.m. to 10:00 p.m. This project is anticipated to be complete by March 2022.

Equipment Removal and Repair/Replacement of Portions of the Roof

Regular work hours will be 8:00 a.m. to 6:00 p.m., Monday through Friday, with work taking place on Saturdays as needed. The roof replacement is anticipated to be complete in January 2022, and the equipment removal is anticipated to be complete during the first quarter of 2022.
