

# Baker Athletics Complex

## Construction Activities

Columbia University is performing two separate projects at the Baker Athletics Complex: the construction of a state-of-the-art tennis center and the replacement of turf at the Softball Stadium. The tennis center replacement is anticipated to be complete in October 2022, and the Softball Stadium turf replacement is anticipated to be complete during the first quarter of 2022.

### Construction Activities for the Weeks of February 28, 2022 and March 7, 2022

Although contractors carefully stage construction activities to minimize disruption, the nature of construction work is such that some disruptions will occur. The community should expect the following in the coming weeks:

#### What is Happening

##### ***Tennis Center Replacement***

- Forming and concrete fill of the retaining walls
- Erection of steel columns, beams and decking

##### ***Softball Stadium Turf Replacement***

- Removal of old turf
- Stone deliveries for the field sub-layer
- Minor electrical work
- Delivery of new turf and installation

#### What to Expect

##### ***Tennis Center Replacement***

- Regular working hours are 7:00 a.m. to 4:00 p.m., Monday to Friday. After-hours work may take place until 6:00 p.m. Monday through Friday, and on weekends with all required permits.
- All work will be contained within the tennis court site.
- There may be intermittent noise from truck deliveries and equipment removal.

##### ***Softball Stadium Turf Replacement***

- Regular working hours are 7:00 a.m. to 4:00 p.m., Monday to Friday, with after-hours and weekend work as needed with all required permits.
- There may be intermittent noise from trucks delivering stone.

*-Please note that all activities are subject to change based on weather and other field conditions -*
