

Baker Athletics Complex

Construction Activities

Columbia University is performing three separate projects at the Baker Athletics Complex: the construction of a state-of-the-art tennis center, the replacement of turf at the Softball Stadium, and the replacement of the floating dock system at the Muscota Marsh East Dock facility on the Harlem River. The tennis center replacement is anticipated to be complete in October 2022, and the Softball Stadium turf replacement and Muscota Marsh dock replacement projects are anticipated to be complete during the first quarter of 2022.

Construction Activities for the Weeks of December 20, 2021 and December 27, 2021

Although contractors carefully stage construction activities to minimize disruption, the nature of construction work is such that some disruptions will occur. The community should expect the following in the coming weeks:

What is Happening

Tennis Center Replacement

- Removal of soil for installation of concrete beams (grade beams) underneath the ground
- Trenching for site utilities and manholes
- Forming and concrete fill of the grade beams which will create the below-ground latticework support of the foundation
- Forming and concrete fill of the walls
- Steel erection, including crane mobilization and steel beam/column deliveries

Softball Stadium Turf Replacement

- Demolition, including removal of the fence, other ancillary pieces, and turf

Muscota Marsh East Dock Replacement

- Concrete pour for the floating dock piles
- Demobilization of the crane and barge
- Punchlist and cleanup of the site

What to Expect

Tennis Center Replacement

- Regular working hours are 7:00 a.m. to 4:00 p.m., Monday to Friday. After-hours work may take place until 6:00 p.m., Monday through Friday, and on weekends with all required permits.
- All work will be contained within the tennis court site
- Trucks will be delivering grout (concrete), rebar, wood, steel and will be leaving the site with soil removed from the excavation activities
- Delivery of crane
- There may be intermittent noise from truck deliveries

What to Expect (continued)

Softball Stadium Turf Replacement

- Regular working hours are 7:00 a.m. to 4:00 p.m., Monday to Friday, with after-hours and weekend work as needed with all required permits.

Muscota Marsh East Dock Replacement

- Regular work hours will be 7:00 a.m. to 6:00 p.m. Monday through Friday. After-hours permit approved for work to take place starting at 6:00 a.m. If weekend and after-hours work is needed to align work required with high tide, this will take place as needed with all required permits.
- Expect some noise due to pile driving and other related activities
- Larger materials will be delivered by barge on the water

-Please note that all activities are subject to change based on weather and other field conditions -
