FURNITURE PROGRAM  
2024

Welcome!

This guide to selecting and purchasing furniture for the CU Morningside Campus provides information for Consultants and End Users on the **Columbia University | Steelcase Furniture Program**.

The **Columbia University | Steelcase Furniture Program** has been designed to meet a myriad of work and learning styles. Our program has been tailored to the specific Steelcase families of furniture that meet the needs of the Columbia University community.

- An unmatched offering that addresses furniture and accessories, leveraging Steelcase and key partners.
- Contract grade solutions with the strongest warranty in the industry
- Volume discounting
- Reduced complexity in management and delivery through Steelcase dealers
- Reliable lead times and quick-ship portfolio
- Sustainable design and construction contributing to the CU Plan 2030 goals

This guide depicts the furniture that has been preselected to meet the Columbia University community's needs for:

- Private & Shared Offices
- Conference Rooms
- Workstations
- Classrooms
- Collaborative Work & Lounge Areas
- Accessories & Storage
- All Seating Types

## CORE PRINCIPLES

### DESIGN

“People want to feel a connection to the places where they work, where they can see themselves in the spaces, versus something that feels imposed upon them”

James Ludwig, Vice President, Global Design - Steelcase

### MATERIALITY

“Most of us think about materiality as decoration or superficial. But it’s always more than that.” Bruce Smith

- Performance
- End user
- Choice
- Power access
- Ergonomics
- Comfort
- Space for Focus and Rejuvenation
- Spaces for Social Connection

### SUSTAINABILITY

The Steelcase commitment to the environment: We believe the only way to provide the best office furniture solutions is to ensure they are the best products for the environment. That’s why every step of the way - through design, manufacturing, delivery and product lifecycle - we consider the impact of our work on people and on the environment and uncover opportunities to make things better.

### SAFETY

Columbia University voluntarily complies with the requirements of CAL 117 for upholstered furniture (fire code).
