

611 West 112th Street Interior and Exterior Renovation

Columbia University is performing an interior gut renovation and exterior restoration of 611 W. 112th Street for future university housing. The project scope includes a building-wide replacement of floor and roof structure; historical restoration of the exterior masonry and recreation of the cornices; replacement of windows; new interior finishes; new mechanical, electrical, and plumbing; fire alarm, fire protection and security systems, and the creation of a new, accessible entrance.

Construction Activities for the Weeks of May 12, 2025 and May 19, 2025

Although contractors carefully stage construction activities to minimize disruption, the nature of construction work is such that some disruptions will occur. The community should expect the following in the coming weeks:

What is Happening

- Continuation of stone and metal work at the entrance of building
- Continued start up of mechanical and electrical equipment throughout building including roof level
- Installation of finish roof membrane and gutters
- Installation of sheetrock, tile, millwork and other finishes on the interior of the building
- Continuation of work in the exterior courtyards including edging, paver installation, fence work
- Daily cleanup inside the building, including debris and excess equipment/material removals
- Please note that site fence will be removed during the middle of the week of May 12 and the sidewalk will be restored for public use

What to Expect

- Regular work hours are 7:00 a.m. to 6:00 p.m., Monday through Friday, and 9:00 a.m. to 5:00 p.m. on Saturday (in accordance with all necessary permits). After-hours permit approved for interior work to be performed between 6:00 p.m. to 12:00 a.m., Monday through Friday.
- Personnel will be moving in and out of the building with miscellaneous debris
- Material drop-off and pickup will be performed between the working hours of 7:00 a.m. to 6:00 p.m., with the exception of 7:30 a.m. to 8:45 a.m. and 2:45 p.m. to 3:45 p.m. to coordinate with school drop off and pickup
- Expect noise and other impacts typically associated with construction activities

-Please note that all activities are subject to change based on weather and other field conditions-
